

Engineers of War (Knights of Malta)

The Sovereign Military Order of the Malta (SMOM) is the oldest knighthood in the world and its headquarters is located in Rome at the Palazzo Malta and Magistral Villa of Malta. The SMOM is considered a sovereign entity under International Law and under the United Nations. The SMOM also has extraterritoriality within Italy similar to an embassy. The Knights of Malta and Orders of Saint John are a mass murdering cult that engineer wars. Many members of the royalty and heads of constitutional monarchies are members of the SMOM. What makes the SMOM different from all the other knighthoods is that it is a sovereign entity. Members include Juan Carlos the former King of Spain, Grand Duke Henri of Luxembourg, Karl von Habsburg of Austria, King Philippe of Belgium, Queen Paola of Belgium, Prince Laurent of Belgium, Queen Beatrix of the Netherlands, Prince Vittorio Emanuele IV of Savoy, Duke Franz of Bavaria, Prince Alexander of Yugoslavia, Prince Nicholas of Montenegro, Prince Louis Alphonse of Bourbon, Prince Carlo of Bourbon-Two Sicilies, Prince Carlos of Bourbon-Parma, Princess Elizabeth von Thurn and Taxis, Grand Duchess Maria Vladimirovna of Russia, Grand Duke George

Mikhailovich of Russia, Prince Alois of Liechtenstein, Prince Mariano Hugo of Windisch-Graetz and Prince Jaime the Count of Bardi. Spain, Netherlands, Belgium, Liechtenstein, and Luxembourg are monarchies. The President of the European Commission Jean-Claude Juncker is a Knight of Malta. Queen Elizabeth II has been the Queen of the island of Malta and is the head of the related Protestant branch called the Order of Saint John. The Bailiwick of Brandenburg Order of Saint John is run by Prince Oscar of Hohenzollern-Prussia. The Hohenzollerns are heavily involved with military and war. Peter Freiherr of Furstenberg is the Vice President of the German Association of the Order of Malta. Another Order of Malta connected with Spain and Malta is headed up by Prince Thorbjorn Paterno-Castello-D'Aragona. Juan Jose Calvo and of Dios is President of the Cuban Knights of Malta. The Vatican and Knights of Malta established the Mount of Piety for profit loan-pawn company claiming to be a charity which has become an international institution that has created various banks with it's headquarters in Valletta, Malta. Mount of Piety is owned by the Maltese government. The Pallavicinis are international bankers and their family has managed the SMOM. The Pallavicinis have banking operations in Malta. Banking in Malta is semi private and especially private for small domestic banks and Maltese citizens. Marchese Daniel de Petri Testaferrata is the head of the Maltese Association of the Knights of Malta and he works with the British Crown, Spanish Crown, and Black Nobility.

Prince Carlo Massimo has been the President of the Italian Association of the Order of Malta and is covertly overseeing the SMOM from Rome. Prince Carlo Massimo is extremely militant and murderous. The Massimo family are part owners of the Holy See and Order of Malta. The Massimo, Lucchesi-Palli, Ruspoli, Chigi-Albani della Rovere, and Pallavicini, families control the Order of Malta and grant a form of "sovereignty" in society to high level members like the monarchs. The most noticeable proof the Black Nobility run the Vatican and Knights of Malta is that they are never knighted by these organizations because they don't serve them but instead run them. Austrian nobility are in league with the Italian Nobility and help to manage the Knights of Malta. The Sovereign Council of the Order of Malta is a top military council in the world which engineers wars. Prince Ludovico Chigi-Albani-della Rovere was the Grand Master of the SMOM during WWII and his mother in law was a Rochefoucauld. Current administrative members of the SMOM include the Grand Master Giacomo Dalla Torre del Tempio di Sanguinetto, Grand Chancellor Albrecht Freiherr von Boeselager, Grand Hospitaller Prince Dominique de La Rochefoucauld-Montbel, and the Receiver of Common Treasury Count Janos Esterhazy de Galantha. The Boeselager family were Nazis involved in the fake "failed plot to assassinate Hitler" known as Operation Valkyrie. They made a movie about it with the Knight of Malta Tom Cruise who was knighted when he got married at the Odescalchi Castle. The Rochefoucaulds are French nobles. The Esterhazys are a Roman Catholic Austrian nobility. Richard Fitzalan Howard is President of the British Association of the Order of Malta and Ian Scott is Grand Prior of the Grand Priory of England an ancient British branch of the Knights of Malta. Richard's ancestor Richard FitzAlan the 10th Earl of Arundel from the 14th century was a military commander. Prince Erich von Lobkowicz is the President of the Association of German Knights and his relative Charles-Henri de Lobkowicz is also a Knight of Malta. The Austrian nobles have always been connected with the SMOM and most of them are Roman Catholic. The Austrian Prince Galeas von Thun und Hohenstein was a former Grandmaster of the Order of Malta.

William F. Buckley Jr. was a Knight of Malta and Conservative political commentator in the US. Pat Buchanan is another Conservative political commentator and Knight of Malta. J. Peter Grace was an American businessman, politician, member of the

The founder of Blackwater Erik Prince is a covert Parmese Knight of the Order of Saint George. Blackwater mercenaries are Christian Crusaders. Erik Prince has advised Trump. The Jesuits were kicked out of Iraq in 1960's. Other Knights of Malta include former CIA Directors John A. McCone, William J. Casey, and William Colby who was nicknamed the "warrior priest." The SMOM has a hidden operation at Georgetown and its School of Foreign Service and work through the Jesuits in overseeing the US Pentagon. Kelly went to Georgetown's School of Foreign Service and is a covert Knight of Malta. The President of Georgetown John DeGioia is a Knight of Malta. The Knight of Malta Arvid Pardo developed the United Nations Convention on the Law of the Sea. The Greek royal House of Glucksburg are part owners of the SMOM's naval division because they run the Greek Merchant Marine.

The Knight of Malta Alexander Haig was a US Army General, US Secretary of State under Ronald Regan, and White House Chief of Staff under Nixon and Gerald Ford. Haig was also Jesuit educated from Georgetown. He was the one covertly running the Pentagon and White House during the 70's and 80's and he was a relative of the British noble family of Haig. George Haig the 2nd Earl Haig who died in 2009 was a British Peer, Royal Scot Grey, and Knight of the Order of Saint John which is the Protestant Knights of Malta. His son is Alexander Haig the 3rd Earl Haig. The Vietnam War was nicknamed "Spelly's War" for Cardinal Spellman because of his support for the war. The CIA was founded by William Donovan who was nicknamed the "father of central intelligence" and he was knighted by two Vatican orders. One of the first directors of the Central Intelligence was Allen Dulles and he worked with his friend Prince Carlo Caracciolo di Castagneto at the law firm Sullivan & Cromwell. Prince Carlo Caracciolo di Castagneto was the one covertly managing the head of the CIA Allen Dulles. Allen Dulles' nephew was Avery Dulles a Jesuit priest. Jesuit educated CIA Directors include Robert Gates, George Tenet, Leon Panetta, Michael Morell, David Petraeus and John Brennan and they are overseen by the Order of Malta. Former CIA Director James Clapper was a professor at Georgetown. The Jesuit Order was established by the Farnese family under Pope Paul III or Alessandro Farnese through the papal bull called Regimini Militantis Ecclesiae (Military Regiment of the Church). The House of Farnese lived in a pentagonal fortress called the Farnese Caprarola just as the US Department of Defense is headquartered at the Pentagon. The Farnese bloodline evolved into the Bourbon-Two Sicilies and Bourbon-Parma families which have the Farnese's former titles of Duke of Parma and Duke of Castro. The Vatican and Knights of Malta are deeply involved with the US military and intelligence. The Knights of Malta oversee the Sacred Military Constantinian Order of St. George headed up by the Knights of Malta Prince Carlo of Bourbon-Two Sicilies and Prince Carlos of Bourbon-Parma and

they oversee the Jesuits which operate as military intelligence. There is an American Association of the Order of Malta which is covertly run by the Eastern-Russian-Greek Order of Malta called the Order of Knights of the Hospital of Saint John of Jerusalem Knights of Malta headquartered in West Palm Beach, Florida with Lieutenant Grand Master Prince Anton Esterhazy, William G. Boykin the former Undersecretary of Defense for Intelligence under Bush who is the Grand Chancellor and Grand Master Nicholas Papanicolaou.

Prince Carlo Massimo has been the President of the Italian Association of the Sovereign Military Order of Malta. The Massimos are part owners of the Sovereign Military Order of Malta and have been commanding it through the Italian Order of

Malta. The SMOM has internationally infiltrated governments and militaries through Jesuit and Roman Catholic universities which have secret societies of Knights of Malta within them. Georgetown's School of Foreign Service is the real headquarters for the Sovereign Military Order of Malta within the United States. Prince Carlo Massimo is a military general and tactician and he commands the SMOM through his agent Count Fernando Giulio Crociani-Baglioni.
